The 5th Annual "Biker's Save Lives" benefit ride is partnering up with www.sheriannherboys.com to raise money to honor a local mother & her boys whose innocent lives were taken in May 2009. The proceeds will go towards the building of a memorial site for Sheri, Garrett and Gavin who are missed very much by friends and family. This memorial site will be constructed in Columbia, near the Blue Jay football field where both boys played football. Everyone is welcomed to join in our ride, purchase a t-shirt or just come hang out. Additional donations can be made via the website www.sheriannherboys.com, where you can also view pictures of Sheri & her boys and see the wonderful memories people have shared. Thanks for your support.

All vehicles welcome to join
